Subject: Application for Grade "A" Position

Dear Sir/Madam,

I am writing to formally express my interest in applying for a Grade "A" position within the Ministry of Health Development, in accordance with the current recruitment announcement issued by the Civil Service Commission.

I hold a Bachelor of Health Sciences in Public Health from Gollis University, with a CGPA of 3.06/4.00. My academic background, together with my practical experience in public health, nutrition, clinical services, community health, research, and field data collection, has equipped me with strong skills relevant to the health sector.

My professional and practical experience includes working as a Nutrition Consultant at AG Nutrition Center, where I conducted nutritional assessments, provided client consultations, and delivered health and nutrition awareness sessions. I also completed an internship at Referral Military Hospital, supporting patient monitoring, documentation, clinical care, and health education activities.

I am a motivated, responsible, and adaptable professional with strong communication, teamwork, documentation, and data-collection skills. I am particularly interested in contributing my knowledge and abilities to the Ministry of Health Development and supporting the delivery of effective public health services to communities in Somaliland.

I have attached my CV and supporting academic documents as required and would be grateful for the opportunity to be considered for a suitable Grade "A" position within the Ministry.

Thank you for considering my application. I look forward to the opportunity to contribute to the Ministry of Health Development with professionalism, integrity, and commitment.

Yours faithfully,
Omar Farh Omar
